

# LINEAR Track Light

RL Linear Track are the most convenient cost-effective light-line solution for industrial, commercial and any other applications. Easy to install, the Linear Track reduces time, labor, packaging waste and complexity.

Le Linear Track RL sono la soluzione più conveniente in termini di costi/effetti per l'illuminazione industriale, gli spazi commerciali e in generale per ogni altro tipo di applicazione. Facile da installare, la Linear Track riduce il tempo, il lavoro, i rifiuti di imballaggio e la complessità.

Die RL-Track sind die beste Kostenwirkung Lösungen für Industriebeleuchtung, Gewerbefläche und im Allgemeinen für jede andere Anwendungen. Ganz einfach zu installieren, das RL-Track reduziert die Zeit, die Arbeit, die Verpackungsabfälle und die Kompliziertheit.
