

SLIM LINEAR Light

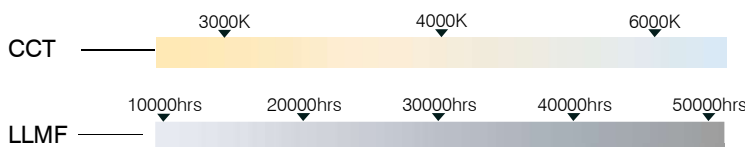

The new Slim Linear Light fixture with integrated LED differs from others because of its very small size without renouncing the incredible light of the latest SMD Philips.

L'innovativa plafoniera Slim Linear Light con LED integrati si differenzia per la sua dimensione molto piccola senza però rinunciare all'incredibile luce dell'ultima generazione di LED SMD Philips.

Die innovative Deckenlampe mit integrierter LED SLIM LINEAR LIGHT unterscheidet sich durch die reduzierten Dimensionen, ohne jedoch auf das unglaubliche Licht der neusten Generation von Philips SMD LED zu verzichten.
